Cancellation information:

- Cancellations up to 30 days before departure are contingent on being able to substitute another traveler. If another traveler is able to be booked in your place, your money will be refunded except for the \$300 nonrefundable deposit.
- After 30 days before departure, there is no refund for cancellations. If a major emergency such as medical incapacity prevents your traveling, we will announce that a place is available. However, the probability of your space being filled is greatly reduced. If another traveler is found, the refund would be subject to the \$300 cancellation fee plus differences in airfare and other expenses that would be incurred at that late date.

Final price may vary depending on point of origin.

This is a special tour and training put together by the Peace Academy of Costa Rica. The Peace Academy is not a tour company and the tour is priced without contingencies for people not following through on their commitments. Failure of any individual to meet his or her obligations would result in a loss to this nonprofit organization.
